ACCEPTED FOR CONSTRUCTION

The main sign is rectangular with rounded corners (R150) and a black background. It features a yellow diamond-shaped warning symbol at the top, which contains a black T-junction symbol with horizontal bars representing tracks. Below the diamond is a yellow rectangular plate with a black border containing the text "TRUCKS TURNING PREPARE TO STOP" in bold black capital letters. Dimensions are provided for the overall sign (1600 x 2280 mm), the diamond (1272 mm height), and the plate (305 mm width). Spacing between elements is also specified.

Use W7-12 Size C
Warning Sign

The Symbol Detail shows the rail crossing symbol on a grid. The symbol consists of a vertical bar with five horizontal bars across it. Dimensions include a total width of 60 mm and a height of 60 mm for the symbol area.
